### **1 Bedroom apartment, Praia da Rocha.**

Located on one of the most natural and tranquil beaches of the region – the Praia dos Três Castelos – next to Praia da Rocha and two steps from Portimão, this venture consists of two condominiums.

Innovative and bold, of "contemporary architecture", it is distinguished by its elegance and discretion that provide an experience of comfort, tranquility and relaxation, alongside the security that a fully sealed condominium offers you.

Its unusual exterior features, with large areas judiciously landscaped and designed for a low maintenance cost, pools with its tropical environment, highlighting the pool with the waterfall surrounded by rocks, the outdoor gyms, the playgrounds and the sauna with individually paid use, make these condos, a true paradise.
